Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nation's top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

I absolutely love my TF Publishing 2017 Perfect Planner. I ordered this one as soon as I saw it was available on pre-order, and admittedly, didn't carefully read the description since it was listed as the new version of the planner I know and love. Beware, if you are ordering this because you loved the 2017 planner that the "faux tabs" in the description are entirely useless. They also removed the lines, and no longer include a plastic cover for extra storage and durability. Truthfully, they removed the things that make their planners better than their competitors'.

Love this planner! I love the fact that it has monthly and weekly views-I use it every day at work.
