The Lord Of The Rings Instrumental Solos For Strings: Viola (with Piano Acc.), Book & CD

Synopsis

Music from all three films arranged for string instruments. Desirable and collectible, these instrumental folios are loaded with full-color photos of scenes from all three films. They are printed on top-quality antique paper stock, and the covers showcase the new "trilogy" artwork. The string series was written especially for violin, viola, and cello. Each book features a piano accompaniment and a carefully crafted removable string part complete with bowings, articulations, and keys well suited for the Level 2-3 player. A fully orchestrated accompaniment CD, with demo tracks (featuring live string performances) and play-along tracks, completes each package. The string books are completely compatible with each other and can be played together or as solos. Due to level considerations, the string books are not compatible with the books in the wind series. Titles are the twelve major themes from the blockbuster trilogy: from *The Fellowship of the Ring*: The Prophecy * In Dreams * Concerning Hobbits * Many Meetings * The Black Rider; from *The Two Towers*: Gollum's Song * Rohan * Evenstar * Forth Eorlingas; from *The Return of the King*: Into the West * The Steward of Gondor * Minas Tirith.

Customer Reviews

My students love these books and have been excited to practice--finally! The cd's are well done although the songs are at the proper tempo so they are difficult for beginning instrumentalists. None-the-less, I reccomend these books for intermediate level and above.

This compilation was purchased for my daughter, who has been taking viola lessons at school during the past year and a half. This compilation was perfect for her ability and also came with a demo disk so that she can play her viola along with the other accompaniment. I highly recommend this for a beginner violist

Purchased for the viola and didn't come with the insert.

I bought this for my 14 year-old son who plays the viola and he just loves it! Would recommend to any viola player who is a Lord of the Rings fan.

The viola section in the book is small compared to the violin/piano/bass/cello but other than that the book is fine.

My kids love this.

I received a violin book????? NOT a VIOLA book? I was under the impression that it was my fault and I simply ordered the wrong book (I ordered this months ago) but now looking again, I DID purchase a viola book and received the wrong item. Everything is in treble clef and its labeled a Violin book on the cover. Very angry. Very dissatisfied. Unhappy in general. Waste of money.

awesome! im such a lord of the rings fan and now i can finally play the music!
