Judith A. Thompson and Carla Rae Miller of Munhall, Pennsylvania, became friends while both were Salvation Army volunteers and participants in a local prayer shawl ministry. Judith is also a published designer of crocheted Christmas ornaments.

Very happy with this selection. I am a novice at crochet and this book helps us beginners. Beautiful patterns and easy!

This is a very nice collection. I have already made two of the patterns to give as Christmas gifts. They are beautiful and warm. I would suggest this book to anyone who crochets.

I was pleased with this book; with very interesting patterns. There will be many wraps made from the patterns. I have no one to recommend it to due to not knowing anyone who crochets.

this helps me with some of my craft activities

A friend of mine told me about this book. I ordered it and already made one beautiful wrap. It was easy and fun. I love this book and will be recommending it to other friends that like to crochet.

Great patterns. Can't wait to try them all. Easy patterns. Directions are very clear. All details as to what is needed for each.

Great looking, easy to make wraps! Finished one for a Christmas Gift last evening!

Love it!!
