# I Am: The Secret Teachings Of The Aramaic Jesus

## Synopsis

Connect to the Source of the Aramaic Jesus' Wisdom and Guidance Perhaps the most essential teachings given to us by Jesus came in the final year of his life on earth. Known as the "I AM" statements and found in the Gospel of John and the Gnostic Gospel of Thomas, these radical truths were offered to connect each one of us to the original source of Jesus' deeper power. But to fully grasp and embody these profound insights, teaches Dr. Neil Douglas-Klotz, we must hear them in Jesus' native tongue. On I Am: The Secret Teachings of the Aramaic Jesus, we accompany Dr. Douglas-Klotz on a journey to the Holy Land of Jesus' time. With him, we will learn 22 specific meditations that combine music, Aramaic chant, and breath awareness practices to attune us to Jesus' words and help us "become fountains of healing and inspiration, as Jesus was."

This is the most beautiful and valuable CD I have purchased. The breath and sound of the Aramaic language and the love that comes through Neil Douglas is evident and nourishes the entire content of this CD. Thank you so much.

Studying the "I Am" statements of Jesus from the common vernacular of his time and location, Aramaic, adds to the understanding of his statement that "The Kingdom of God is within you". Neil Douglas-Klotz gives us the broader view of the Aramaic over the English renditions. What is particularly thrilling to the listener's understanding is the relationship of the "I AM" statements to the psychological changes that give wonderful insights into developing the inner soul to be able to say, like St. Paul, "Not I, but Christ [as the I Am/I of the I] in me."

Very informative.

I found this series of CDs to be very interesting, offering a broader and deeper perspective of these teachings as well as an Aramaic perspective. It provides many interesting points for a person to contemplate.

Excellent teaching of Jesus beginning years

The message that Jesus tried to impart to his followers is far different from what you were taught in Sunday School. Neil Douglas-Klotz has a thorough understanding not only of Jesus's time and culture but also of the language he spoke and the nuances of meaning of each word. By listening to Douglas-Klotz's lectures and explanations, you will learn (1) how and why Western Christianity got it all wrong, (2) what Jesus really wanted us to understand about following His way, and (3) that Jesus truly was an Enlightened Master. Many thanks to Neil Douglas-Klotz for making these truths so easily accessible!
