

The Adventures Of Your Brain

Synopsis

The human brain . . . entertainingly explained! Filled with flaps, pull-tabs, wheels, and pop-ups, this colorful interactive book introduces children to the wonders of our brain. How does the brain work? What does it do, and what do we understand about it? The Adventures of Your Brain allows kids to explore this amazing and amazingly complex part of our body. Each page offers loads of fun features to play with, so kids will love learning all the fascinating facts!
