Jersey Shore: Vintage Images Of Bygone Days

Synopsis

This lavishly illustrated history of "the Shore" chronicles the people and events that shaped the physical, economic, and social development of New Jersey's coastal resort communities. Packed with archival photos, this charming tribute to bygone days recaptures the glory days of the boardwalks, the spectacles of parades and festivals, the drama of the coast's worst storms, and many other aspects of life on the Shore. Enjoy seeing everything from the heyday of Atlantic City to the Methodist camps to the plunging neckline that made Marilyn Monroe persona non grata. Jersey Shore is a treasured keepsake for the area's 14 million annual visitors and for the millions more with fond summertime memories.

Customer Reviews

Relive the Jersey Shore's glory days with historian Emil R. Salvini in this lavishly illustrated chronicle. With vintage photographs capturing everything from the plunging neckline that made Marilyn Monroe a persona non grata to the whimsical architecture of Lucy the Elephant, Jersey Shore reflects the pure freedom that is summer.

Emil R. Salvini is a member of the Cape May City Historic Preservation Commission, past president of the North Jersey Highlands Historical Society, and a life member of the Cape May County Historical Society. Author of several books on New Jersey history, including *Globe Pequot's Boardwalk Memories* (2005), this Harvard Business School alum lives with his wife in Wayne, New Jersey, and spends summers in Cape May. Salvini is president of Wheal-Grace in Belleville, New

Jersey; he has more than 25 years experience in the printing industry. He is the creator of Greenprint.com and is an FSC (Forest Stewardship Council) approved printer.

I bought this for my husband for Christmas as we both have wonderful childhood memories from bygone vacations at the Jersey shore. The stories and wealth of photos are even more precious to us as so much of the shore has been destroyed by Hurricane Sandy. A treasure trove for us.

I'm a lifetime Jersey girl so this book was a must have. I love it! There is so much great info about the Jersey shore in it.

This book is well written and illustrated. However, it's overly devoted to the history of Cape May and Atlantic Counties. Very little about the history of Ocean County. A disappointment in that respect.

We love this book. I read about it online and knew it would be a winner. Buy it if you love the shore or grew up there! Wonderful!

Great reading for anyone interested in the early days of the Jersey shore.

I got this as a gift for my dad. he grew up in NJ, as did I. The Jersey shore has changed a lot, especially since Hurricane Sandy. This is a great photo book of the way things were. Even my step mother from England enjoyed viewing this pictorial history book

Learned so much about the history of my own state. My grandparents honeymooned in AC, so it was always in their blood. Living in BB & AP, meant everything to me growing up! I even spent 8 years living "down the shore!"

I guess I thought this would have more pictures, but it is full of info, lots of text. I gave it to a shore house owner, thinking it would be good reading at the beach. I haven't gotten feedback from the recipient.
