Holy Teaching: Introducing The Summa Theologiae Of St. Thomas Aquinas

Synopsis

There comes a time in the life of every Christian when he or she desires to go deeper in his or her walk with God. For many, this task can seem daunting. Enter St. Thomas Aquinas. He wrote his great Summa theologiae, or summary of theology, to fill the need for a thorough survey of Christian teaching. Unfortunately, the Summa theologiae is thousands of pages and can be intimidating to the beginner. Now Frederick Bauerschmidt has come to the rescue. Holy Teaching presents key parts of the Summa theologiae, which are explained by Bauerschmidt. These selections will encourage students, pastors, and interested laypeople to spend quality time in the company of a great Christian teacher.

Customer Reviews

Frederick Christian Bauerschmidt (Ph.D., Duke University) is associate professor of theology at Loyola College in Baltimore, Maryland. He is the author of *Why the Mystics Matter* and *Julian of Norwich and the Mystical Body Politic of Christ*.

Book great! Packaging sucks!

Great seller, fast shipping, and book in really good condition, totally recommended!!!!!!!Thank you so much for the everything!

This splendid book takes a slightly different angle than most modern compendiums. While the

Summa is most often treated as a philosophical work, St. Thomas Aquinas' title itself, *The Summa Theologiae* (the summary of theology) shows it to be first and foremost a theological book. With this in mind, Bauerschmidt concentrates on the theological passages of the Summa, with special attention given to Aquinas' Christological understandings. The footnotes are extremely helpful, allowing even a beginner to slowly make his/her way through this book. With the help of Bauerschmidt, even a beginner can come to understand one of the most profound thinkers in the history of mankind. Recommended with this book is Peter Kreeft's *Summa of the Summa*, which deals the philosophical passages of the Summa.

(If anyone is starting this book and wants to form a discussion group, please get in touch with me as I am starting this book as well (Feb 2011). My email address is on the web.)

Prologue to the Summa theologiae 27
