SHOSHANAH LEE MAROHN

The Trolls of Mount Horeb

*Coloring Book*

## Synopsis

A coloring book that could only be from Mount Horeb, Wisconsin! The Trolls of Mount Horeb Coloring Book is an all-ages coloring book, with simple drawings for the younger colorists, and complicated drawings for the more advanced coloring artists. Black and white drawings of the trolls on the Trollway are accompanied by funny haiku poems on the opposing pages, as well as addresses where you might find these trolls and meet them in person. At the beginning of this book is a short, illustrated history of trolls in Mount Horeb. Fifty percent of the proceeds from this book are donated to the Mount Horeb Area Historical Society.

## Customer Reviews

Shoshanah Lee Marohn is an insignificant author who would like to express her deepest appreciation that you are even reading this. If you are a purchaser of one of her obscure books of doodlings, rest assured that you have made her day. Shoshanah lives on a farm outside of Mount Horeb, Wisconsin (the subject of her latest book). Her hobbies include sighing deeply and making sculptures of strange woolen creatures. In the future, she hopes to achieve enough success to eat countless pints of fresh blueberries.

Not as good as her other books, unless you like trolls. If so, then IT IS THE BEST BOOK EVER!

Love this coloring book! It's so much fun to color and the drawings are so unusual. Now I really want to visit Mount Horeb!

This book is charming! It has a bit of history and the drawings are delightful.
