Lippincott's Illustrated Q&A Review Of Histology

Synopsis

Lippincott's Illustrated Q&A Review of Histology is a resource for students engaged in histology course review and test preparation for the USMLE Step 1 and COMLEX. It contains more than 1,000 USMLE-style and content recall questions with images for approximately 40% of the questions. Features: USMLE-style multiple choice questions – each vignette is followed by a question stem that addresses a key concept in cell biology/histology. Detailed explanations address incorrect answers in context. Over 480 full-color images illustrate important histologic features. Tissues with similar histological features are compared, providing a challenging comprehensive review. Side-by-side comparisons of normal tissue and histopathology provide a bridge to clinical problem solving and diagnostic pathology. Online access to the questions and answers provides flexible study options.
