Customer Reviews

No surprises. Delivered quickly. My son needed it for school.

Exactly what I was looking for at a very reasonable price.

This was the exact book my daughters school is using. It has great pictures, that are simply and easy to follow.

My daughter is nine and this is perfect for her. It is clearly written and goes slow enough to not discourage her, but it holds her interest at the same time.

Awesome!

Exactly what's son needed for 6th grade band class.

Perfect and super fast delivery thank you
