Crash Course 101: Expanded Edition

Synopsis

About This Book: Crash Course 101 is quick reference guide that covers the basics for inspecting auto damage claims. This guide serves as a resource to acquaint inside desk auto adjusters with the basic common terminology found in auto losses while giving a broad overview of the job of a field auto inspector. This introductory guide will provide a good source of basic information on topics such as: Introduction To Basic Auto Damage Inspections, Auto Insurance Basics, Terminology, Anatomy of a Vehicle (Top 50 common parts), Basic inspection protocol and the common types of auto losses. This expanded edition also offers tips on how to start your own inspection or damage appraisal business.

Customer Reviews

This book was interesting and easy to read. It introduces you to the basics of a claim appraiser and adjuster and provided basic terminology for the industry.

Great little book. There should be a copy on every trainee's desk and in the drawer of every adjuster

for those moments when a blank is drawn.

Easy to read and understand.

If you are new to Auto Claims this book will help you understand the process an Auto Claim goes through. Pluss it defines the language used in the industry to include commonly used acronyms

A fantastic resource for appraisers trying to expand their business!
