The Young Country Doctor Book 11: Bilbury Delights

Synopsis

This is the 11th book in The Young Country Doctor series by Vernon Coleman. Another collection of memories about the village of Bilbury and its inhabitants. All the usual characters are here. A stand-alone book which can be enjoyed by readers new to the series. The author, Vernon Coleman, is a qualified doctor who has written over 100 books which have sold more than two million hard back and paperback copies in the UK and been translated into 25 languages. Many of his books have been bestsellers and his novel Mrs Caldicot's Cabbage War has been turned into an award winning movie. What the papers say: "Vernon Coleman writes brilliant books." The Good Book Guide "Truthful, well observed and consistently readable." Daily Telegraph "His dry humour transforms doctor-patient encounters into hilarious anecdotes." Publishers Weekly "Most of his adventures are funny, some hilarious but he has the good sense to leaven the comedy with some that are sad, some touching. All are lightly written, easily, entertainingly. We could do with some more." Oxford Times "He has succeeded in writing a book that will entertain and warm the cockles of tired old hearts." Punch "The funniest book I have read since Three Men in a Boat." Chronicle and Echo "Coleman is a very funny writer." This England "His powers of observation combine with his penchant for brilliant word pictures to create a most delightful book that will appeal to all who appreciate humour and sharp characterisation." Sunday Independent "Compulsive reading." The Guardian "Brilliant!" The People "Superstar." Independent on Sunday "Revered guru of medicine." Nursing Times "He writes lucidly and wittily." Good Housekeeping "King of the media docs." The Independent "The tales he tells are truly uplifting and thought provoking. They are a breath of fresh air in a troubled world and are also very amusing." - People's Friend

Another winner from Vernon Coleman! I enjoy reading the Bilbury stories right before I go to sleep then I fall asleep wondering what Peter Marshall looks like and his store, or Thumper and his truck, or Patchy and how he gained his knowledge of antiques. My wife actually caught me looking up local auctions on the computer and asked me why I was looking at auction sites. I didn't have an answer, I didn't even know why... I've never been to an auction. Maybe my subconscious thinks there will be someone like Patchy there. There is definitely comfort in the characters and places in the village of Bilbury and the gentle humor of it's GP. I hope the Bilbury series gets to "The Young Country Doctor Book 50" I'll have them all.

Vernon Coleman's accounts of the life of a country doctor in Devon, are both interesting, informative and above all very entertaining. I hope to read more books in the series and up to this point have read them all. Keep writing about Bilbury, Vernon.

Another of Dr Coleman's books that I have truly enjoyed! There is no murder, angry violence, or any type of negative energy that is so prevalent in today's writings. It is a compilation of everyday occurrences in a small community, which I find soothing....a comfort read.....rather like comfort foods that soothe the soul.

I was overjoyed when I saw a new Vernon Coleman book. I was not disappointed when I read it and sorry when I finished.

Maybe the best in the series. So different are the stories that one is bound to find something of interest.

I just finished this 11th book on Bilbury tales, having read every single one. Please keep them

coming. I love the comfy, cozy life of Bilbury that is described and the adventures of the cast of characters. I look forward to each new one and hope they will continue for a long time. I am only saddened by the author's dislike of Americans. The reverse is certainly not true.

Once again this author has shared with us a wonderful part of his life. I can't wait for his next book

Such fun reading.
