Customer Reviews

Start with little teasing and each story line get little bit more substantial than the other stories and hotter. Good series this selection. With more to come more more than before.

Every single story was terrible. All of the girls were selfish, cunning, and dumb as rocks, with ZERO respect for anyone, including themselves. And people wonder why girls these days are getting pregnant left, right, and sideways. None of these so-called authors can write worth a cobweb, and

they have zero respect for marriage as well. Makes a person wonder.....PASS THIS BY IN A HURRY!
