Haunted America

Synopsis

Haunted America takes you on a grand tour of ghostly hauntings through the U.S. and Canada, sweeping from terrifying battle-field specters at Little Bighorn to a vaudeville palace in Tampa, from ghostly apparitions in President Garfield's home in Ohio to the White House in Washington, DC.

Customer Reviews

The authors have expanded their repertoire of true ghost stories previously published in Haunted Wisconsin (Stanton & Lee, 1980) and Haunted Heartland (Stanton & Lee, 1985). This collection of chilling tales of the supernatural includes at least one story from each state and from the English-speaking Canadian provinces. The stories recount sightings of ghostly apparitions and mysterious happenings, and their history and evolution is documented. To enhance the true-story appeal, newspaper accounts and other sources of information are given in the bibliography. Full of eerie specters and haunted houses, including the White House, this book will captivate readers of all ages. An excellent source of spine-tingling narratives for Halloween night or spooky campfire fun.

For general collections.Eloise R. Hitchcock, Tennessee Technological Univ. Lib.,

I HAVE RECEIVED THE BOOK BUT I HAVE NOT READ IT. I HAVE ALOT OF READING TO CATCH UP ON. I LIKE THE AUTHOR AS I ALREADY READ NEARLY DEPARTED. VERY GOOD BOOK.

Buyer Beware. There is a 114 page TOR "demo" version of this book with no copyright page that was sent instead of the full version of the book'

This book satisfied my need for ghost stories but not really something to write home about. In my opinion this was mostly folk legends.

Lots of information on all of the hauntings and very We'll put together.

I liked this book except that the title states haunted America and then at the end of the book it about Canada. When did Canada become part of America?.

I've read the book several times over the years and really enjoy it. I found it on and had to have it for my library.

Love this book!!!

Love this book!!!
