Customer Reviews

Ellen Grady is the author of Blue Guide Sicily and Blue Guide the Marche and San Marino. An author and tour guide, she lives in Sicily on the slopes of Mount Etna.

There really isn't much travel information about the Le Marche region of Italy, so I was glad to find this. I was specifically interested in Ascoli Piceno and the book had a whole chapter on this city. I was able to use the book to confirm some things I read on Trip Advisor, including the hotel I wanted to stay in plus some local sights and a restaurant where we'll be having dinner. Very helpful.

Infused with the usual Blue Guide excellence on all things historical and cultural. It was a must-have for our two weeks investigating this relatively little known area of Italy.

Very detailed coverage. Covers nearly every little town and village, as well as the obvious. A must have if you are spending any time in this area.
