The Berenstain Bears And Too Much Teasing

Synopsis

This classic Berenstain Bears story is a perfect way to teach children about kindness and consideration! Come for a visit in Bear Country with this classic First Time Book™ from Stan and Jan Berenstain. Brother has begun to tease Sister because he thinks it's funny, but when the tables are turned and Too-Tall-Grizzly starts teasing Brother, a very valuable lesson is learned. Includes over 50 bonus stickers!

Customer Reviews

Illustrated in full color. Brother Bear is a master at teasing--until the tables are turned and he's the one being heckled for being the principal's pet. And when Brother finally understands that teasing isn't just mean, it's also dangerous, he actually decides to stick up for the new kid at school.

Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, The Big Honey Hunt, appeared in 1962. Since then, more than 360 Berenstain Bears books have been published, and more than 300 million copies have been sold. What began as an idea sparked by their young

sons' love of reading has become one of the best-selling children's book series ever.

love these books

Love the Berenstain Bears. Their lessons are timeless. My daughter really enjoyed this book and learned a lot about teasing as a result. She's been less sensitive about being teased now that she understands the difference between playful teasing and not so nice teasing. She loves this book.

I bought this for my kids because it is such a classic. I grew up with berenstein bears books and i wanted to share the experience with my own children. My kids do enjoy teasing eachother and so i thought this book would be a great topic to discuss with them. Fun, educational, and on target!
Love!

The child that received this was very happy and was looking forward to the stories. He even had several stores read to him the day he opened it up. The smiles, entertainment, and lessons are worth it.

I bought this for my 6 year old son who has been having problems with teasing at school. He also loves Berenstain Bears books. It definitely started a dialogue with my son about teasing and how it feels. I also bought him the Golden Rule Berenstain Bears book and these 2 books work well together.

they are for christmas

love it
