More Junior High And Middle School TalkSheets--Updated!

Synopsis

Start Discussions That Matter to Your Junior Highers & Middle Schoolers About God. About themselves, their, beliefs, their questions, their lives. More Junior High-Middle School TalkSheets--Updated! contains the same kind of provocative, compelling, discussion-starting questions that are hallmarks of the best-selling TalkSheets series--now updated for new-millennium students. Here are 50 more creative discussions that focus on relevant, real-life topics: The Future Death Priorities AIDS Heaven & Hell Premarital Sex Prayer Knowing God Homosexuality Materialism & Consumerism . . . and 40 more subjects of perennial interest to teenagers. TalkSheets are convenient, effective one-page reproducible handouts with intriguing questions that will get church kids and unchurched kids alike talking and thinking about the Bible--and how its principles affect their daily lives. Use TalkSheets to launch your own lesson--or use them as stand-alone Bible studies. Each TalkSheet comes with detailed information and suggestions for discussion leaders: Bible references galore, Internet resources, further group exploration, and activities to pursue during and after the meeting. More Junior High-Middle School TalkSheets--Updated! is the perfect discussion-starting resource for youth meetings, small groups and cell groups, Sunday school, and camps and retreats.

Customer Reviews

'This resource is a must-have for every youth worker... One of the best features is the ability to edit the Talksheets, enabling the users to delete a question they don't want or add something specific to

their group. The program is very user-friendly, so even those who are computer illiterate should find it easy to use. It's well worth the cost, a resource you'll find yourself coming back to week after week. (YouthWorker Journal)

Good experience

Good lessons but wish there were more Bible references to use.

At first I was worried about some of the topics, however; after meeting with my middle school students I quickly realized it was necessary. The lesson plan is easy to follow and is a great conversation starter. I would recommend this book for Sunday school teachers and parents who are looking for ways to encourage and reinforce faith.

I teach the 7th-8th grade Sunday School class at my church, and have used this book for the past six sessions. I am 25, and the youngest teacher this group has ever had, so I wanted to have material that we could all relate to. The topics in this book are fantastic, because not only can I relate to them, but the kids seem to relate as well. As with any book/topic, there needs to be a fair

amount of preparation time involved. The verses provided that back up the topics are good, but it's helpful to find even more. My class really enjoys discussing some of these topics.

The material is a little skimpy, but very handy to have with little preparation time.
