‘Monsieur Dior’s descriptions of the craft, personnel and performances of couture at its grandest are proper reporting from the front line of fashion’ The Guardian ‘A must-have for any fashionista, this is a delightfully humble account by the creator of Dior’ Irish Tatler ‘a fascinating insight into the workings of the man and his famous fashion house’, Paul Smith, Daily Express

Christian Dior was born in Granville, Normandy, in 1905. He opened his own couture house in 1947, revolutionizing fashion with the “New Look.” He was made a Chevalier of the Legion of Honour in 1950 and died in 1957.

A rather well written and fascinating description of life in high fashion from the pen of one of the greats. I do not know if Dior had a ghost writer assist, but this text is eminently readable.

Nice little book. Every fashionista must have.

It's truly amazing to have the sense that Christian Dior is speaking intimately to you as he describes his life, career, thoughts and feelings, especially since we are separated from him by so many years and locale but not by our artistic passions! I admit I was surprised that a fashion designer could be articulate beyond trade jargon. Brilliant man. This book is a treasure! Loved it!

Read the last chapter first, it is the most personal and really is the most beautiful to read. It's the only chapter that really talks about his life and what led up to him becoming a fashion designer. The rest is covered very faithfully in the documentary, Dior and I. (Interestingly "Raf" has announced he is parting ways with the House of Dior the day before I wrote this review!) However, if you've seen the documentary, after reading the book, you realize, the way things were done then vs. now hasn't seemed to change much which I did not realize so that was very interesting to learn. It is a beautiful little book and I will cherish it always.

My book arrived fast and in excellent condition. This was a great book. I can see that I will re-read it.

Wonderful book! :)

A beautiful and very delightful book!

Very happy with this book...
