Girl Politics, Updated Edition: Friends, Cliques, And Really Mean Chicks (Faithgirlz)

Synopsis

In this revised edition, bestselling author Nancy Rue provides a guide on how to deal with girl politics, God-style. Yesterday you were BFFs, planning to attend the same college and be in each other's weddings. Today you sat down at the lunch table and she got up and left without a word, taking other friends with her, and giggling as they walked away. Your teacher says ignore her, your mom says talk to her, and your dad says, "It's just what kids do." You're angry, hurt, and wondering, what happened? When is it just a girl thing, and when is it more? Girl Politics has all the info on friends, bullies, frenemies, and more, with real-life examples, conversation starters, Internet tactics, and tips to protect yourself. Revised and updated with more examples from real girls, tackling more issues relevant in today's media-driven world.

Nancy Rue has written over 100 books for girls, is the editor of the Faithgirlz Bible, and is a popular speaker and radio guest with her expertise in tween and teen issues. She and husband, Jim, have raised a daughter of their own and now live in Tennessee.

Very helpful for navigating difficult personalities, clicks and rude children. Helps in choosing thoughtful and kind friends.

A great book for tweens

Really good book. It teaches you about friendships during life.

This is really helping my 11 year old navigate the complexities of female friendships. Tween girls can be rough on each other; this book is giving her a lot of suggestions for how to deal with that.

I got this book as a birthday gift for my turning-11 daughter. She loves it. I love that the book is honest yet encourages girls to deal with difficult situations in a Christ-like way. I highly recommend this for all girls of this age, but especially those who, like my daughter, have had some social struggles. It is the perfect companion to the Faithgirlz's Sophie series, which my daughter also loves.

I read this with my daughter. She thought it was fun that it was written to "sound just like how me and my friends talk!" I liked that it gave us an opportunity to talk about friendships and bullies in a casual yet thoughtful way.

lots of good information for a tween
