Simple fun and hours of entertainment while coloring.

Awesome Book!

This coloring book is insanely hilarious, just got done coloring a few of the pictures. I put this coloring book in a top secret drawer, let's just say you don't want your kids to stumble across this book! Definitely would recommend especially for the price.

Gave as a gift as an inside joke, recipient loved it

This book is HILARIOUS, just got it for my girlfriend. She loves it, awesome illustrations. Detailed and very vulgar, holy crap. Perfect gift to get your girl unless she hates cursing!

I got my swear book today and was very happy with it. It made my husband and myself laugh. The paper is perfect for pencils and Gel pens. If you want to use makers put a few pages of scrap paper behind. Thank you

Bought while recovering from Cancer, lots of great spaces and words to express myself without sounding angry! Lol.

Oh my, I'm in love with this adult coloring book. Can't get enough of it. Such a stress relief and so much fun. Would highly recommend! Ordering some more for my friends!
