Council awards, and her new series that is currently launching "Cool Stuff Every Kid Should Know" (Arcadia, 2010) is already receiving kudos from the very people who often inspire her the most--the mommy bloggers! Kate is an active volunteer in her local school district and is a member of various Boards and organizations that promote both child and adult literacy--and, in particular, science literacy.

This resource was very helpful for my third/fourth grade students. It was very accessible for all readers...engaging pictures that piqued students' interest.

Awesome little book!
