Customer Reviews

Book is a little out of date but most information is current and is a big help when you are looking for something to do.

Purchased this book for my in-laws. They are so difficult to buy for and this was the perfect gift for them. They love exploring, traveling and history. This book gives them a ton of options and they have already marked the first trip they plan on taking. AWESOME gift for the hard to shop for person!

Enjoyed this book, close enough to take a trip with good directions, spots I have never been to will use it and lend it out, some people interested and are going to send for book or already have. My son has one but his is different I was trying to buy that one but it was all sold out...would

recommend One Tank Trips.

Book exactly as stated

As newcomers to Tampa, we have found the One Tank Trips series to be a simple and delightful way to learn about our area. We can pick something new every week of the year and head out with basic directions. The fees and hours are not always current, but that is to be expected with any publication that quotes such information. The sights picked for the books are always interesting and provide lots of conversational tidbits. Many of our neighbors have lived here for years and haven't seen some of the places we have visited, guided by these books.

nothing I did not know no need to buy

This is the best book for great places to go

The book was not new but in excellent condition. I was surprised. The book itself is wonderful and helped us plan our trip to see Florida
