Customer Reviews

Excellent for first time travelers to Cape Town. Easy to read and hits the key sites and facts for visitors. A map within the book would have made it a 5.

I travel a lot, both for work and pleasure but unfortunately never made it to Capetown. This book makes me wanna go! It's got enough details for a first-time visitor and you can read it in an hour or

two. It's the kind of book you wanna read first, before digging into areas that you want to learn more about.
