Kingdom's Reign (Kingdom Series)

Synopsis

An evil army masses against the Knights of the Prince, and they are outnumbered. Only the King can save them. While the Knights of the Prince train in the Kingdom Across the Sea, the Dark Knight, Lucius, reigns in Arrethtrae with complete authority. But when a small group of loyalists swears allegiance to the King, the Prince returns, and in a mighty battle, Lucius and the Shadow Warriors are vanquished and imprisoned in the Wasteland. Peace and prosperity renew the land, and the Prince rules from the royal city of Chessington. While the heroic Cedric travels as ambassador, he sees that every corner of Arrethtrae reaps the benefits of prosperity brought to the land by the Prince's reign. But not everyone will swear allegiance to the King, and it seems this paradise may be lost yet again because of the pride and greed of evil men who plot to free the Dark Knight and his minions. Cedric rides desperately to bring the news before it's too late. Journey to Arrethtrae, where the King and His Son implement a bold plan to save their kingdom; where courage, faith, and loyalty stand tall in the face of opposition; where good will not bow to evil. *where the King reigns* along with His Son! From the Trade Paperback edition.

Customer Reviews

I did not know what to expect from Chuck Black book. Biblical allegories are often lame and you get the feeling the author is trying too hard to make a point. That is not the case here. These books are fun to read. Chuck Black is the author of many novels including the popular Kingdom Series and The Knights of Arrethtræ series. Each story is strong enough to stand on its own. I have 10 kids, and each of the readers enjoy the books. Even kids who are not familiar with the different Bible stories will still be on the edge of their seats. My wife has read all of them aloud. Our children are familiar with Bible stories, and they "get" what is going on. It adds another whole level of interest as they try to link the story they are hearing with the stories they already know. But, that usually happens after each episode, since some of the segments are so tense they are completely lost in the story. Then, after reading to them we hear "Please! One more chapter!" This is a refrain I hear nearly every night.

If I could rate 4 1/2 I would! These are really good books, start with book one. I have read the whole series, its all about knights of the prince (believers), and shadow warriors(evil). It is an exciting story which symbolizes spiritual truth.

My son loves these books but we had an older printing of this book and the order of the books has been changed. The cover and number was different so we now have a duplicate of this book. I love the new cover art though!

Outstanding! Our family waiting anxiously for the release of this book. The series has been an exceptional journey for our family to explore character building trials in a wholesome manner. I would recommend this book and the entire series to anyone looking for stories with a biblical mindset that does not have the sorcery and witchcraft blended into it.

Love the plot twists.

We have read the entire series. My 12 year old son and I read them together instead of devotions for about 6 months. Perfect for his age. We loved every page. Great adventure and battle. I think

adventurous girls would like these as well.

8 year old son loved the entire series. Judging by how quickly he finished this book, it's a page-turner.

Son is devouring this series and we will be movin gon to the Knights or Arethrea after this. Hubby even says the books are well written. Discussion questions at the end of each of these books. Wonderful.Came quickly from seller!
