Customer Reviews

"Author Ilona Bray won the first place Gold Award in the Robert Bruss competition for her book: *Selling Your House: Nolo's Essential Guide*, published by Nolo. The awards recognize excellence in books published in 2015 covering the broad field of real estate.

NAREE's (National Association of Real Estate Editors) judges commented that

Bray's book is a "clear, thorough handbook on selling a house" and judges

noted the helpful tips served as "a good preparation for those who may not have been in the market for a while." "With the help of real estate agents and home sellers who contributed stories and tips, Bray presents the big picture: key steps for selling your home. She recommends reviewing these steps before diving into the process of learning what to expect and seeing how the different pieces fit together. The book covers getting your property ready for sale, selecting a real estate agent, lawyer, and accountant, learning about disclosure laws, marketing tools, and your house sale contract, among other things." Eithne O'Leyne, Editor, ProtoView "Another helpful offering from a company goes out of its way to provide timely material." Tom Kelly, nationally syndicated columnist and author. "Nolo's 'Selling Your House' is a good way to dip your feet in the housing market without getting wet. Midwest Book Review, Peggy Tibbetts, Reviewer (Eithne O'Leyne)

Nolo's trademark style of clear and concise language, helpful examples, and in-depth practical and legal guidance are all found in this book to help owners navigate their home sale. Readers will learn what to do even before hiring a real estate agent, then how to be a savvy team player when it comes to market research, pricing, making required disclosures, negotiating, and closing the sale. The tips in this book will help avoid last-minute frustration and drama, and lead to a sale that won't have the buyer's lawyer calling within a few years.

Good down to earth that covers all the essentials of selling your house.

Good book. Lots of useful information. Not surprising for a book from Nolo.

Great book, lots of info, shared it with friends.

I worked in law for many years and some of the information I already knew, but there were many points I had not really thought through from a seller's perspective. I've relied on other Nolo books before and this one meets the expectations I have for as much solid legal advice as I can get without paying a lawyer's fees.
