# Sudan, 2nd (Bradt Travel Guide)

## Synopsis

Much has changed in Sudan since the first edition of this guidebook was published in 2005. Following the peace agreement that ended the civil war of 1983&#150;2005, southern Sudan is newly accessible to adventurous travelers. Bradtâ„¢s Sudan continues to be the only guidebook dedicated to this emerging destination. This new edition offers full coverage of the southern towns of Juba, Malakal, Wau and Rumbek, and provides information on recently de-mined driving routes. It also details the increasing hotel and restaurant options in Khartoum, and Sudanâ„¢s developing wildlife tourism industry.Â

## Book Information

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,332,553 in Books (See Top 100 in Books) #33 inÂ Books > Travel > Africa > Sudan #2601 inÂ Books > Travel > Africa > General

## Customer Reviews

&#145;&#133;doesnâ„¢t just give data or hard facts, it narrates, just like you are reading an interesting piece of literature or adventure. Thank you very much for this valuable guide.Ã¢â„¢Dr El Fadil M. Salih, Sudan

Paul Clammer is a freelance travel writer and has worked as a tour and trekking guide in countries from Morocco to Pakistan.

I'll be better able to judge after I return from Sudan but on the face of it, seems to be a well written and thorough presentation. Normally, I use Lonely Planet's guide though I used Rough Guide for Egypt and Bradt for Iraq. And I do like Bradt's approach and organization of material. They give a detailed picture of the country's history and are quite specific about current conditions. The book is

more personalized than other reference books. A bit more than a compilation of facts. And I liked the maps. Recommend it.
