Frostgrave: Ulterior Motives

Synopsis

The Frozen City harbours many secrets, and not all of them are ancient. While most adventurers who brave the dangers seek wealth and lost magic, some journey into Frostgrave for more personal reasons...This expansion for Frostgrave consists of 40 Ulterior Motive cards, which add variety, depth, and new tactical challenges to wargames in the Frozen City. Each card presents the player with a specific task to accomplish and offers rewards if they succeed. Some of these missions must be revealed to all of the players, others must be kept secret. Will your wizard seek to slay a great demon? Rescue a desperate captive? Bring retribution to an enemy? All wizards seek power, but what are their ulterior motives?
