Best Beach Games

Synopsis

75 games for families to play at the beach, mostly aimed at children ages 2 to 10, with some for teenagers. Most of the games require nothing more than items found naturally on the beach. Family sand silhouettes: Draw an outline of each person lying down in the sand. Use seaweed for hair, clamshells for glasses, pink shells for fingernails, etc. Take pictures! Beach blanket bingo: Find similar pairs of items such as shells, driftwood, rocks. Put one of each into two different piles. Player 1 draws two grids with a shell and places items from one pile into each square of one of the grids. Player 2 gets a quick look at the grid with the items before Player 1 covers it with a beach blanket. Player 2 then has to try to replicate the item placement into the second grid. He gets a point for each one correctly placed.

Barry Coleman "has been playing beach games with his kids since they were old enough to carry a sand bucket. His family has tested and enjoyed all the games in this book. He lives in South Carolina with his wife and two children and dogs Rascal and Boomer.

A lot of good ideas for this summers vacation with the family.

This book was great for going to the beach with a group of friends. I grew up in IL(NO BEACHES!) and now live in land-locked GA so it was great to get ideas of things to do at the beach. I get restless and it's hard for me to just lay in the sun. It was good to see adaptations of games that were familiar as well.PLUS, when I'm on vacation I don't want to think so here is everything right there in front of you! Loved it.

This book is great for guests visiting our beach condo.

Wonderful book. We enjoyed playing the different games this summer on our beach trip. It will be the first thing we pack for all of our beach trips.

Great book for kids and adults, very easy to follow directions, good pictures and illustrations, can't wait to get to the beach.
