Customer Reviews

Air fryer cookbook is better than ever. This book really gives a delicious recipes that easily to cook. This air fryer gives a lot of information about what the best air fryer to have and what benefits can get from this. I know that many moms would love this book, like what I feel now.

I'm lucky to have these recipes! The recipes are delicious and easy to prepare and the directions are clearly written. There is a wide range of interesting and all time classic recipes to choose depending on available ingredients on hand and time constraints.

Best air fryer book. There are some awesome recipes .There are many to choose from and all are delicious. There is something here to please everyone and the instructions are easy to follow. Overall, its a good collection.

Excellent recipes. This book also explains a little about the gadget, I had some trouble in the beginning. Try the potato wedged with mango seasoning!

My wife loved it and so did I. This book contains amazing Air Fryer recipes for your family. If you think you are out of ideas then you need this book. :)

This is just another of the books I purchased from s' Kindle. I like their books because they are easy to navigate and are all written well.

I had been wanting an air fryer for a while and did my research. This is a great product and we are really enjoying the ease of use and cleaning.

I got very tempted to get an air fryer and start cooking delicious food. I just never had the time to do it before until now. I like the part: The best ways to air fry. Thanks
