of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This band book is what my son's class uses for Band. It came in pristine condition and was exactly what was needed and expected. Thanks so much for the fast shipping too!

exactly as described.

Perfect for a student

Great

Exactly the book my kidlet needed for her band class at school and I got it for less than the local music store sells it for! Thanks!

Just what a beginner needs.

Good value for money

Overall, the book was more like a review than a lesson. But it was still helpful because though it was pretty easy, it pushed me to work on my actual tone and sound other than just getting the right notes. It didn't take long to get to my house either.
