Customer Reviews

I have always loved smoothies. They're inexpensive, delicious, healthy and they give me an energy boost to start my day. The thing about smoothies though is that there's only so many recipes you can choose from. I sometimes end up just using the same ingredients for weeks. It can get a little boring. I am glad that I got the chance to download Karen's book. She has given me more than I thought I could get for my smoothies. I especially loved her Watermelon Smoothie, Honeydew Smoothie and Very Berry Smoothie!

Good book!
