Customer Reviews

Exactly What You Need To Know Grow beautiful Christmas trees sustainably on your small farm or in your backyard. As income supplement or outdoor hobby, the tradition of Christmas tree farming is both satisfying and practical and can make good use of fallow land. Grower Patrick White has built on and updated these techniques, pioneered by nurseryman and author Lewis Hill, to guide the modern grower every step of the way, from site selection to planting tips to sales strategies.

Patrick White operates Meadow Ridge Tree Farm (www.meadowridgetreefarm.com), a Christmas tree farm in Middlesex, Vermont, with about 8,000 trees in the ground. He is on the board of directors of the New Hampshire-Vermont Christmas Tree Association and editor of the group's newsletter. He also runs Meadow Ridge Media (www.meadowridgemedia.com), providing freelance

writing and editing services to trade magazines in the agriculture, landscaping, and golf industries. The late Lewis Hill, a beloved and best-selling Storey author, grew more than 20,000 trees on his farm in Greensboro, Vermont. He was also a member of the National Christmas Tree Association and the New Hampshire-Vermont Christmas Tree Association.

Good information-just what we were looking for. Quick read, good price and shipped quick.

Good information but not all you need to know!

helpful book

Great read for starting Xmas tree farm

Very informative and reasonably priced. Helped me in a making decision whether to pursue this going forward.

Exactly what I was looking for to get into growing Christmas trees.

Great book

Great reading....
