Milan Travel Guide 2016: Essential Tourist Information, Maps & Photos (NEW EDITION)

Synopsis

Published by Travel Bug Guides, "Top 20 Milan" is the essential Milan travel guide. Inside Travel Bug Guides "Top 20 Milan":- Milan's top 20 attractions, listed in order of importance (so you can cut to the chase, and find out exactly what you MUST see before you leave Milan). - Essential historical information and background information about each of the top 20 attractions (so you can truly understand the importance of each attraction).- Full-color photos for each of the attractions (so you can see what you're visiting before you arrive)- Maps showing the location of each attraction (all Travel Bug Guides feature "in-book maps" as well as dynamic online maps. The maps are easy to use and will ensure that you save time)- Opening hours and contact information for each attraction (to make sure you visit at the RIGHT time)- The convenient "order of importance" structure ensures that you'll know exactly which attractions you need to see first- Insider Tips to ensure you get more value from every single attraction

The Ultimate Milan Travel Guide

This Milan visitors' guide is written for people who want a simple, uncomplicated guide to getting the best out of Milan. Whether you're visiting Milan for a day or two, or are planning an extended trip, Travel Bug's Top 20 Milan travel guide is the perfect starting point. With detailed information about the best attractions, and the top 20 Milan attractions listed in order of importance, you'll know exactly where to start your tour. Every attraction listed in this Milan Travel Guide has essential background information, color photos, maps, and important contact information. Not only that, but you'll also know the best time to visit each attraction.

The Most Important Tourist Attractions in Milan

This travel guide is packed with only the most important "must-see" attractions. Here's a snippet of some of the attractions waiting for you inside this Milan tourist guide:- The Duomo, one of the largest Gothic churches in the world...- La Scala Theater, a prestigious opera house... - Sforzesco's Castle, one of the most famous buildings in Milan...- The Last Supper painting, Leonardo da Vinci's masterpiece...- Galleria Vittorio Emanuele II, a key destination for designer fashion...
Travel Bug Guides

Ã¢â€œ eBook Features- Easy Navigation: Jump from one attraction to another without needing to scroll page after page after page. - Dynamic Maps: Use the simple Ã¢â€œin-bookÃ¢â€œ maps or jump to a dynamic online map. The online maps allow for comprehensive travel planning as you can see all attractions in relation to one another, and also zoom-in and zoom-out.- Bookmark Your Progress: When you're ready for a break, simply bookmark your progress so you can easily continue later!- Add Notes: Don't want to forget something important? Just add a note to the guide and it'll be saved for you!

Customer Reviews

We bought about five books for a week-long trip to northern Italy this spring. The Milan Top 20 was probably our heaviest referenced as we had about 2.5 days in Milan and needed to hit the highlights. We found the information completely up-to-date, including a few tips and tricks we were glad to have. Overall worth the money.

Bit too short, repeats at the end of every chapter

There's a lot of useful information packed into this little travelguide, and the information is well up to date. The online maps work well on a smartphone, so it really does make it easier to navigate through Milan. The photos are good, and it shows that the author actually went to Milan to write this. Having the top 20 attractions listed in order of importance is also a big help and a

time saver. This guide is great value for money, I recommend it to anyone traveling through Milan.

This is a simple guide that covers the top 20 attractions in Milan. If you're looking for a list of the must-see attractions in Milan, but don't want a 500 page book, then this is probably going to be right for you. It's well written and easy to read, and has a systematic list of the top 20 attractions in Milan. Each attraction has a photo (sometimes more than one) and a map. In addition to the map in the book, there is also an online map, so if you're reading on a tablet that has wifi, you'll be able to see more details, zoom in and out etc. Overall, this is a handily little guide, and great value for money.

Feel confident in how you choose to spend your few days in Milan. Follow the list and have no regrets.
