Yuki Tabata was born in Fukuoka prefecture and got his big break in the 2011 Shonen Jump Golden Future Cup with his winning entry, Hungry Joker. He started the magical fantasy series Black Clover in 2015.

I really enjoy this series. I like Asta's never give up attitude. I can not wait till the next one.

~3/5 We get to see some of the aftermath from the big battle in the previous volume. Asta is in a

better state now, and there are a few new enemies moving around, including this crazy scientist lady. We get to know Gauche more, and see his blind devotion to his sister, which is just unhealthy. He's pretty much an uncaring jerk to everyone else. The volume ends with another mid-battle cliffhanger. This series seems to be using the theme of obsession, or maybe devotion?, a lot. Everyone is obsessed with becoming the wizard king and the rivalries. There's also a lot of one-sided love obsessions as well. Asta is convinced he will win over the nun. Gauche is obsessed with his sister. And now we see that Noelle is pretty much obsessed with Asta. The way that we see her following him around, very obviously hiding and watching him and getting jealous when he talks to other women, is outright stalking. She does it at least twice in this volume. It's rather unsettling, honestly. I don't mind this series, but I don't particularly like it. It seems very clearly underdeveloped in comparison to several other shonen series in this line alone. It's okay. A review copy was provided by the publisher, VIZ Media, for an honest review. Thank you so, so much!
