K-2 Chart Sense: Common Sense Charts To Teach K-2 Informational Text And Literature

Synopsis

K-2 Chart Sense is the ultimate resource for primary teachers who are ready to create meaningful, standards-based charts with their students. The same literature and informational text charts that Rozlyn creates with students when she models and teaches in classrooms across the nation are all included here. Packed with over seventy photographs, Chart Sense is an invaluable guide for novice or veteran reading teachers who want authentic visuals to reinforce and provide guidance for reading skills. Organized in a simple, easy-to-use format, Rozlyn shares multiple charts for every reading informational text and literature standard. Don't mistake this as just a collection of anchor chart ideas. At over 150 pages, this book is filled with actual charts, step-by-step instructions to create your own, teaching tips, and instructional strategies.

Customer Reviews

K-2 Chart Sense is a great resource for my class. I am a long time veteran of charts, but this book helps me see the connection to each Common Core standard. Instead of trying to just make sense of learning, the charts give a foundation and platform to dig deep into the standards. I love how Roz has charts that aren't perfect, have flaws, but she shares her experiences and mistakes. This honest, student-centered approach is invigorating and refreshing!! --Felicia Davis, first grade teacher

Very helpful. Great ideas

Just LOVE this book! Extremely helpful!

This is a great resource. It has a lot of useful ideas.

Fantastic resource for creating anchor charts

Every classroom should have this book. I love it!

Already started using it!

I thought the item would be a little different. Still a good resource.

It was everything I expected. Perfect for common core standards K-2
