Great book great notes, very happy!

Brand new condition and it made a great gift and I get to hear this music being played on our piano....she loved it!

Quick download to kindle, playing within minutes

I've always liked "The Load-Out" Was at a Jackson Browne concert in Stockton, CA., long, long ago, and he did this song. The piano sound has stuck in my brain all these years. Now I want to try and learn it myself. Might take me years to get it down, I'm new to learning piano, but getting a bit of it down. This song book is great. Hope to learn them all.

The kindle digital version is garbage, the sheet music is a joke. Wouldn't recommend downloading

the digital version as it only contains the one song and it's essentially one page of sheet music that shows the corresponding chords.
