The Real Winnie: A One-of-a-Kind Bear

Synopsis

The story of Winnie, the real Canadian bear that captured the heart of Christopher, son of A.A. Milne, and became immortalized in the Winnie the Pooh stories, is told against the backdrop of the First World War. In August 1914, a Canadian soldier and veterinarian named Lieutenant Harry Colebourn, en route to a training camp in Quebec, purchased a black bear cub in White River, Ontario, which he named Winnipeg. First a regimental mascot for Canadians training for wartime service, Winnie then became a star attraction at the London Zoo, and ultimately inspired one of the best-loved characters in children's literature. For those many generations of readers who adored Winnie the Pooh, and for those intrigued by the unique stories embedded in Canadian history, this book is a feast of information about a one-of-a-kind bear set during a poignant period of world history. Today Winnie "lives on" at the London Zoo, in White River and in Winnipeg. Her remarkable legacy is celebrated in many ways – from statues and plaques to festivals and museum galleries.

The story of Winnie, the real Canadian bear that captured the heart of Christopher, son of A.A. Milne, is told against the backdrop of the First World War.

Charming bear, charming story. Although the book is written for a YA audience, I'm far from a youth, but I enjoyed the story immensely. I didn't know where the stories of Winnie the Pooh came from and once you read "The Real Winnie" you'll love Winnie the Pooh even more, no matter what your age. Mr. Shushkewich also added a few side-bars throughout the book to help place the reader in the history of the time, WWI, and that helped place the story in its time and place.

This tells the real story of Winnie. It is not my first choice of the books available but it is good. I ordered four different books and this was my second choice of the 4..

What an incredible story of how the British Soldier saved the life of a bear. How they became friends and what happened to them both. This story can be told to children to encourage them to be kind to animals as well as adults to share with families. I am glad that this is written down so that future generations can learn about that silly little bear who became known as Winnie-the-Pooh

If you're a big Winnie the Pooh fan, you'll love this story. I am as well as a WW I history fanatic so this book was perfect for my library.

Thank you!

We saw the movie and I saw there was a book. The book has great pictures. It's a great story.

Precious story for Pooh fans.

A great addition to any home or classroom library.
