Customer Reviews

As a piano teacher who has taught from and reviewed many different books, I swear by the Bastien Series. Students love this book because they build confidence by playing pieces they are familiar with!

I bought this book for my kids. I started to learn to play simple piano songs with them. It has some very popular kids song such as "London Bridge", "Old McDonald", and "Row row row your boat". It is also the book used by my kids piano teacher too. I love the songs in this book, simple and familiar to most people.

Just my sped. Perfect.

Wonderful recognizable tunes. My piano students love this book!
