Green Arrow Vol. 3: Emerald Outlaw (Rebirth)

Synopsis

Written by Benjamin Percy (TEEN TITANS) and gorgeously illustrated by Otto Schmidt (Korvac Saga) and others, comes a pulse-pounding urban adventure that debuts one of Green Arrow's greatest villains in GREEN ARROW VOL. 3: EMERALD OUTLAW! Oliver Queen has lost it all. His sister, Emiko, is missing. His vast family fortune has been obliterated. And the entire world believes he's dead. That's when his problems really begin. As he fights to reclaim what he's lost, Ollie continues patrolling Seattle's streets as its vigilante guardian. But soon a rash of murders with a deadly accurate archer as the culprit puts the whole city on edge, and Oliver Queen is the prime suspect. To clear his name, Green Arrow must find the real killer as the Seattle police hunt him down with extreme prejudice. With Black Canary at his side, can Ollie find his target? Or will he and his reputation both end up six feet under? Collects GREEN ARROW #12-17.

Book Information

Series: Green Arrow

Paperback: 152 pages

Publisher: DC Comics (August 8, 2017)

Language: English

Best Sellers Rank: #26,217 in Books (See Top 100 in Books) #54 in Books > Comics & Graphic Novels > Publishers > DC #167 in Books > Comics & Graphic Novels > Graphic Novels > Superheroes

Customer Reviews

“Delightful and quirky.” •Nerdist “A breath of fresh air.” •Comic Book Resources

Benjamin Percy is the award-winning author of the new novel *The Dead Lands*, as well as *Red Moon*, *The Wilding* and the short-story collections *Refresh, Refresh* and *The Language of Elk*. A native of the high desert of Central Oregon, Percy also writes nonfiction, which has appeared in

Esquire, GQ, Time and more. He is the winner of the Pushcart Prize, a Whiting Award and the Plimpton Prize for fiction. Percy currently writes GREEN ARROW for DC Comics.

The art is good I like the main artist in this book "there were different artists too but they were good too" and the story was okay not bad and not perfect it was something in the middle but this volume is better than the last volume if you are Green Arrow fan or enjoying this series you will probably enjoy this

I have always been a fan of green arrow. Benjamin Percy as a tremendous grasp on all the characters especially black Canary

The verdict is still out on Green Arrow with the public. Then someone starts killing people with green arrows. So Ollie has to catch the real killer. While this is going on, there's also a group called Vice Squad who is going around murdering criminals. The Good: Otto Schmidt and Juan Ferreyra make this book look fantastic. Better than it's looked in years. Ollie is returning to his bleeding liberal origins. The Bad: The story isn't bad, but it's very predictable. I knew exactly where everything was headed as soon as it was introduced. The Ugly: It's bad enough I have to hear about Trump daily in the news. I don't need Trump-lite running for mayor of Seattle as well. Received an advance copy from DC and NetGalley in exchange for an honest review.

I was mostly disappointed with Percy's 52 Arrow run. Especially the last 10 or so. This is so much better.

I liked this and am enjoying where the story is going with Green Arrow. I do have to admit, though, that I much preferred the New 52 Green Arrow to this one. This volume especially turns the story into more of a political thriller/mystery than a superhero one. Queen Industries has been taken over and there are nefarious things going on while the plot is beset with corrupt politicians and bad cops. If you've ever read DC then you know they wear their liberal pov on their sleeve, but this volume was steeped in so much liberal agenda that I found myself rolling my eyes many times. I don't like to mix politics into my reviews but when the book itself is doing so I can't not mention it. Throughout the whole book, the reader is being "taught" that conservatism equals careless and bad, while liberalism equals revolutionary and good. There is only so much of that I can wade through in a comic and they crossed the line here as to be disrespectful of a good portion of their readers. What I

do like about this story and especially in this volume is the relationship between Oliver and Black Canary. Just the right amount of time is spent on their being a couple without interfering with their superhero duties. Mixed feeling about this volume but I'll keep reading as Green Arrow has been one of my faves.

This volume does not disappoint, and I'd expect no less from Percy's Rebirth run so far. He has a grasp on the character that was so dearly missing in the New 52 run...it's so good to have GA back where he belongs.

Good read

This story is a story of the revival of Green Arrow and probably DC comics . The new DC is much more blue sky than the New 53 ,which was so dark you would have thought that Eclipso or the Joker was writing the stories.Green Arrow seems to be having the toughest time, but I think he can handle it. Great story!!!
