This book is a great way to add to your understanding of the rules, and the rule differences between the various leagues. It certainly doesn't come close to covering all of the rules, but it clarifies numerous elements of the game for both the coach and the umpire. The better everyone understands the game, the smoother things go on the field. I highly recommend this book.

This is the 3rd year in a row for purchase. An all inclusive guide for the multi-level of play. Great Job authors.!
