RV Camping In Corps Of Engineers Parks: Guide To Over 600 Corps-managed Campgrounds On Nearly 200 Lakes Around The Country

Synopsis

Your complete guide to all RV-friendly camping areas operated by the Corps of Engineers. This guide is perfect for RV travelers because all the hike-in, boat-in and tent only camping areas are not included, making it very easy to locate campgrounds that can accommodate RVs. Of all the public lands, the U.S. Army Corps of Engineers has some of the best parks and campgrounds available. In fact, they are the largest federal provider of outdoor recreation in the nation. Detailed campground information includes: Season of operation Number and type of sites Number of sites with hookups Camping fees Amenities and Facilities Directions If you enjoy camping in Corps of Engineers campgrounds, this book is for you.

Customer Reviews

This is going to be a very handy book for camping. We found a Corps campground about an hour away that we didn't even know existed. It has been booked solid, so we haven't been able to camp there YET. I told several other people about the campground and one family was able to camp there and they were very happy with it. It is so fun to go through the book and find new campgrounds. We can't wait to go exploring them. Corps campgrounds are always scenic and cool. We have camped in a couple of them out west. This book will make it so much easier to find them all over the U.S.

Too bad their website isn't up to par and you have to buy this book, however the book is awesome and I would highly recommend for anyone looking for Corp of Engineers Parks to Camp at.

This is a reference book on Corp of Engineers parks, for those people that don't like going on line to

the information. It will be handy to get information when your off line.

Nicely organized and detailed. A welcome addition to our collection of camping guides.

A very handy tool when traveling with your camper.

Excellent, a must have for camping.

should be helpful

pretty good except there is nothing in the book for NY state
