Customer Reviews

A young lady answered an advertisement for a Bride in the town of Deadwood, when she arrived the man she met was not anything like he was in his letters. He immediately wanted her to marry him even though she had told him she needed to know him better. Surprisingly things started happening that made her afraid. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me entertained throughout the entire book before putting it down.

Too short I want more!! Fantastic old west story, loved the characters and the situations they are in but it ended before I was ready.

Katie Wyatt writes great details that pulls you into the story

When Clara met Sam Pierce at the train depot he sanity by like the man she had been writing to for the past two months. This man was very aggressive and spoke harshly to her. He wanted to get married immediately but she said she needed a few days to settle in. He introduced her to his three brothers, Robert, Kyle and Paul. She overheard them talking and it did not sound very good for her. She saw a very handsome man watching them, and he later sent someone up to her room to ask her to talk with him. This man Thomas Nichol was the law and he was after Sam and his brothers for some illegal activity. A good read you are sure to enjoy.

I don't always leave a review but I love your books. Keep them coming!!! I'm on your email list, so I'm notified when new book is out. I download immediately. Thank you
