## Customer Reviews

Work Book

If you are working with Komm mit in class the "Grammatikheft" is a good way to deepen the grammar covered in the textbook. There are additional explanations on the grammar as well. The textbook itself is not the latest accomplishment in language education, but it is used in some public schools. I would recommend this book to any student as an additional source.

Great

Beyond what I expected! The price made it that much better... The seller was great he reached out to me asking how I liked the item and I felt he was genuinely caring what my opinion . Great product very fast, receive it next day, as the price. very good seller . my husband think it is amazing ,
