56 Thoughts From 56 Hope Road: The Sayings And Psalms Of Bob Marley

Synopsis

Bob Marley began writing lyrics in the Early 1960's, and he continued to produce them until his passing in 1981. Critics have called these songs the best of the millennium. Yet, few readers have ever read Marley's magic on the page. For the first time, his eldest daughter Cedella has made a selection of her father's most prophetic and personal poems, insights and conversational messages. Here are meditations to soothe the soul and thoughts to penetrate the mind. Here too, is an encapsulated life of Bob Marley, the man. In his spare writings we can see the ebb and flow of his journey as an artist and a humanitarian. Packaged for purse and pocket, this collection is sure to find a place in everyone's heart.

Without being able to view any of the text prior to purchase, it was disappointing to see the book only contained small portions of the contents of various songs. I would have liked to have seen the meaning and the motivation behind the songs. I was looking for more insight or a behind the scenes at 56 Hope Road. I've read other books about Bob Marley and found this one to be lacking in content.

As a huge Robert Nesta Marley fan, I can't say enough about the words in this book. I

I bought one for my husband in Prison and one for myself. Unfortunately both books went to the Prison. I'm happy he received his book but I also could use some inspiration. He however has enjoyed the small but powerful messages from Bob Marley.

Very small, but interesting collection of Bob Marley. Was I wowed? ...not really, though my son has enjoyed the book.
