Customer Reviews

Marjolein Bastin's passion for the natural world is of a universal quality that appeals to people the world over. You can find Marjolein's artwork on greeting cards, calendars, dinnerware, bedding, gifts and many other products. But for Marjolein only one thing remains important: spend every day behind her desk painting the natural world around her. She also writes and illustrates children's books featuring the endearing Vera the Mouse character, which she created. Through her art and words, Marjolein offers people a simple reminder to pause and enjoy nature and allow it to be a source of serenity, energy, and healing. Finding inspiration in a bird lighting on a branch or a leaf drying in the autumn sun, Marjolein takes long walks each afternoon to seek new ideas for her artwork and her writings. Marjolein and her husband Gaston divide their time between country homes in Holland, Switzerland, and in Missouri, as well as a tropical retreat in the Cayman Islands. Each setting provides a unique glimpse of what nature has to offer throughout the world. The couple has a son, Mischa, a daughter, Sanna, and two grandchildren.

I for years have ordered the hello kitty date planner, but it was not offered this year...this is the same style so it will work fine for me...the pictures are beautiful/

I look forward to these planners every year. They are a bit feminine, but all around beautiful and makes life a lot easier to keep track of.

The BEST!

Love this 2018 date book. Will definitely get the 2019 when it becomes available.
