Roger Priddy left school at 16 with just one qualification in art. He went to Berkshire College of Art and Design and trained as an illustrator. His first job in children's books was working with the publisher Peter Usborne, at Usborne Publishing, and then he worked with Peter Kindersley at Dorling Kindersley, where he spent 16 years. Priddy became Creative Director of DK's Children's Division and was Managing Director of the children's mass market publisher Funfax when it was acquired by DK. In 2000, he created Priddy Books with John Sargent at St Martin's Press to create innovative and imaginative titles for children, from first books for babies through early reference titles for older children. Since then, over 30 million copies of Roger's 200 plus books have sold worldwide, with five of his books *My Big Animal*, *My Big Truck*, *Happy Baby Words*, *Happy Baby Colors* and *Puppy and Friends* each selling over one million copies. He is also the author of *Big Board First 100 Words*; *Big Board Books Colors, ABC, Numbers*; and *Bright Baby Noisy Monsters*. His creativity has been recognized with numerous industry awards. Priddy lives in

London with his wife Zena and their four children.

I love the layout of the cards, how you can practice upper and lower case and see examples of words that the letters stand for. But the marker is not dry erase and the cards are more cardboard than the laminated feel you'd prefer for "wipe-clean". I need a wet wipe to erase the marker, and I have to press hard and not leave it on for very long. However, I did have some real dry erase markers lying around, and those actually worked great on the cards, easy to wipe off. So I'm still happy with my purchase, but it only gets 4 stars because it is not easily "wipe clean" as was advertised. The cards work well as just flash cards too, and it's a great way to help your preschooler learn letters and first words.

My 3.5 year old & 5.5 year old both love to play with these cards. They are a thick substantial flashcard with both the uppercase & lowercase letters printed for practice. Cards come packaged in a milky white storage/carry case. Comes with three white board type markers that are low odor & a cute happy face cloth to erase your child's practice markings. My kids are loving these & so am I as they are learning & it keeps them occupied for extended periods of time. Great product!

My kid is learning his ABCs fast with this. Nice big letters with fun pictures keeps him engaged. They're thick and sturdy, and laminated so they can take a small beating. Just make sure your kid doesn't bend them. Good set, recommend.

Love it... So does my 4yr old niece. It helped me teach her over the summer how to reorganize her alphabets. Look forward to purchasing other items in the future.

My 2yo loves them and they can withstand our 7m as well. The marker is hard to wipe off but any other dry erase marker works great. Definitely recommend for teaching

It's flimsy, but does the job. The pictures are pretty good and clear so the baby didn't have a tough time.

My little one adores them; she's still too young to properly learn the alphabet, but we are getting there slowly. I was surprised to see how sturdy they are! And they do wipe clean perfectly!

These are perfect for younger kids to help them with pen control and writing letters! I love that I can use a kleenex or paper towel to wipe the dry erase marker off and use OVER AND OVER! Great for traveling or to do while waiting at the doctor's or somewhere where they have to be still. Our 3 year old loves these and not only is getting better at writing letters but also recognizing words and letters. AWESOME!!
