Customer Reviews

I bought this calendar as a gift for someone who receives a Coca-Cola calendar every year. I was very impressed with the calendar itself. The paper is very high quality and textured and the binding is strong. Over all, it's a well-made and beautiful calendar that exceeded my expectations.

I am pleased with this Coca Cola calendar. I put up coca cola calendar every year and really like the retro pictures. Thank you...Mary Morton

I have got to have my annual calendar. The Coca-Cola classic calendars are my personal favorites. the 2015 does NOT disappoint.

I commented on the 2014 by mistake and I definitely did not like the 2014 calendar. It was made cheaply. But this year, it is a great IMPROVEMENT and well worth the price.

It looks nice, and is made of a thick paper. However, due to the paper being textured, it is extremely

hard to write on. What is the point if you can't write on your wall calendar. I NEED to be able to put appointments on it, and it will look terrible. Now I realize that it said linen paper, but I thought that meant thick. It also said it was writable, but I don't know what kind of pen they were using. As a regular ballpoint that writes fine on regular paper was not writing well on this calendar. I just got done hating my Coke calendar from last year as it had every language on the planet on it and was not attractive at all. Now I get to spend another year hating my calendar. I wish there was a way to figure out what you were getting. I would just buy it in the store, but I can't find Coke in the store. Perhaps because I don't go to a big mall.

This is a great quality calendar! I love the paper quality and love the pictures!

Nice item as advertized
