Goodnight Brew: A Parody For Beer People

Synopsis

It's closing time at the brewery. While the moon rises, the brewery crew—including three little otters (in charge of the water), a wort hog, and a hops wildebeest—introduce us to the brewing equipment, ingredients, and styles of beer. Join this fanciful crew as they close down for the evening and say goodnight to the brew kettle, barley and yeast, hops and mash, saison, porter, IPA, and much more. Befuddled about beer ingredients? Puzzled about the brew process? Can't remember the difference between an ale and a lager? Don't miss the brew infographics that follow the story! This humorous parody of a children's literature classic is a "pitcher book" for grown-ups. It's a besotted bedtime story for beer lovers everywhere!

Customer Reviews

“This is the perfect nightcap.”; Pete Limbach, Carnival Technician, New Belgium Brewing Company “This book is cute as hell. And it’s about beer. Win win.”; Paste magazine “In the music world, a cover song is only worth recording if it can top the original. Goodnight Brew brings that same attitude to the classic children’s book. After reading you’ll wonder why anybody ever bothered with that moon business. The perfect gift for the baby-toting beer geek.”; Patrick Dawson, author of Vintage Beer “More than just a cute parody, Goodnight Brew shines with spectacular illustrations and captivating storytelling. The added tutorial is a very nice touch, giving the reader a wonderful introduction to the brewing process. It should be on the bookshelf of all craft beer loving parents.”; Michael Bergman, Midwest MicroBrews “A perfect piece of joy and beer-musement!”; Michael Bussmann, Social

Networking Nerd, New Belgium Brewing Company"Goodnight Brew is a curious hybrid—like a smoked IPA or stout brewed with strawberries—that entertains and informs. With the wit and authority you'd expect from a bedtime story about beer, this crazy book leaves you dreaming of hops and barley while inspiring you to get to the nearest brewery and thank the creators for their hard work."— Will Siss, beer columnist and blogger at beersnobwrites.com"You made me smile… This is an interesting and entertaining introduction to the process of craft brewing and beer styles that any novice could enjoy and take away a basic understanding of the craft behind the beer."— Banjo Bandolas, Realbeer.com & Probrewer.com"This book easily brings out a smile and the desire to meet a hops wildebeest in his natural brewery habitat."— John Holl, editor of All About Beer Magazine and author of The American Craft Beer Cookbook.“If you live in Fort Collins, Colorado, you know and love Allie Ogg—her artwork. This book shares this with the rest of the craft beer community. Enjoy our treasure!— Lauren Woods Salazar, Wood Cellar Manager & Blender, New Belgium Brewing Company"This book bridges my childhood and my love for beer."— Jeff Eaton, Assistant Brewer, CB Potts Brewery"Beer and brewing basics wrapped in a fun, rhyming narrative."— Steve Mastny, co-host of BeerDownload and President of the Chicago Beer Society"Goodnight Brew is not only entertaining but also informative!"— Jared Lydon, Brewer, Equinox Brewing"Finally, a way to enjoy beer WITH my kids!"— Jesse Suchmann, Creative Director in NYC"Not only a whimsical and humorous romp of a bedtime tale, but in the end you learn some important life lessons (about home brewing)."— Vin, Bierbattered.com"Relive your childhood with the characters of Goodnight Brew on their brewing adventures."— D.J. Paul, Brewpublic.com

Karla "Ann E. Briated" Oceanak is also the author of the Aldo Zelnick Comic Novel Series for children. A public speaker for childhood literacy, she has been a writer and editor for more than 20 years. Allie Ogg is an illustrator, potter and fine artist. They both live in the microbrew mecca of Fort Collins, Colorado.

I got this as a Christmas present for my brother (he loves beer a lot). I ended up doing story telling time at my parents house over dinner before shipping it to my brother. It was very cute and funny. I especially loved the colors and the little details that they took special care with (for ages 21+ stickers, etc.) It was fairly educational too lol. I learned more about beer than I had ever known before. I would definitely recommend this to anyone (legal enough to drink) for giggles!

This book is great. It has a label that says it is for adults over 21 years of age, but there is nothing in this book that would harm a child. The label is probably necessary because they can not market alcohol to children. But this book is not promoting beer it is a very well written parody of a children's book with excellent illustrations. Great for any beer geek with children.

As a homebrewer, this book has it's appeal. It's bright colors are enjoyed by kids, but the process description and meaning is meant for adults. Was glad to see all kid-friendly language throughout the book.

So much fun! I'm going to be taking the book to all the family friendly and fun breweries we take my niece over the years to get the brewers to write special messages. We have quite a few in Central Texas that are designed as destinations for families with food and fun for everyone! I think it will be a fun 21st birthday gift and help bring home the impact of craft.

My husband and I have read Goodnight Moon hundreds of times to our daughter, so I thought this would be a fun gift for him. Such a cute and tasteful parody. He loved it! Would definitely recommend to fathers young and old!

This book is absolutely a work of Art and something I will cherish for years to come! I can't wait to read this to my children and have them learn the art of brewing (an important thing to be educated on.) Undoubtedly this will be a family favorite for many years to come. Love it!

This a funny book that is a parody to good night moon. It is a funny waste of money, but the book itself is of good quality. I have since given it away, and I'm curious how many times it will be given away to other people.

We purchased 2 of these books. One for our son in law who is a home brewer. The other is for our favorite microbrewery who is opening his own local company. Nice book for any beer lover.
