Great age appropriate introduction to these Marvel characters! This is not so much as a story as it is an introduction to the characters and their jobs as Avengers. Perfect for my 4 year old grandson who is obsessed with hero characters that markets to his age even though he is much too young to see the movies.

My 3 year old LOVES superheroes, but isn't really ready for the movies or comics yet! This is a fantastic compromise and we ready it pretty much every night before bed nowadays!

My 2 year old grandson loves the Avengers and all super heroes. He knew I ordered this and was (im)patiently waiting for it to arrive. These books are great with not too many words on each page for young children to sit still for. And pages are colorful with enough "action" to keep young eyes occupied while the story is read to them.

My little godson loves this book.

I loved Little Golden Books growing up. I was very excited to learn they have a Marvel line! Book is as great as I expected it to be. My three year old loves is!

Love it, thanks!

Arrived brand new and as expected.

my son loves it
