Raila Revolution: Reclamation And Redemption Of Kenya

Synopsis

My Kenya, as things fall apart, we should not let our future be defined by our past horrendous experiences but we should let those ugly experiences inspire us to redefine our better future. Oh Kenya my motherland, behold I see your tears but how I hope you can hang in there for a little while! You do not deserve the murder, corruption, hunger, poverty, insecurity, hopelessness, mediocrity and all the injustices sucking out the little life left in you!, slowly breaking your back and claiming the lives of your young innocent children. Arise Kenya, arise above injustices, and arise for this is your time to join the exodus, the movement of the multitudes for destination Canaan the Promised Land. This is the time for an all-round revolution! This is the time for the Raila Revolution! This is our time to Reclaim and Redeem Kenya.
